Dear Sir or Madam

Amherstburg Minor Hockey association has been a part of the community for over 40 years that has grown to 500 families register their children to play hockey annually. We have players as young as the age of 4 to young adults of 20 years old. As you would expect we would need many volunteers coaches and trainers to teach the players the game.

A non for profit, Amherstburg Minor Hockey association we currently reimburse the cost police clearance fees to our volunteers. In efforts to fill the required positions with out additional financial burden to our volunteers.

If the fee for police clearances could be waived it would certainly reduce the financial cost to Amherstburg Minor Hockey Association. There by helping control costs of registration.

Thank you

Marc Renaud

Amherstburg Minor Hockey President 2020-21
